About HI²

The Home Care Innovation + Investment Conference (HI², or “H.I. Squared”) is the sister conference of *Home Care 100* and is a production of Lincoln Healthcare Leadership. HI² is the nation’s only senior-executive event dedicated entirely to M&A, growth and innovation in the greater home care continuum, including home health, personal care, hospice, in-home physician services, in-home behavioral health and pre-hospice palliative care. Designed around a highly efficient two-day format, the HI² program focuses on networking, meetings and carefully curated education, with an emphasis on growth trends and emerging disruptors.
